The Couple Checkup Identify Strengths and Learn to Overcome Issues

Saturday, February 20, 9am-12pm, Roseville Campus

Would you wait 100,000 miles to change the oil in your car? Would you go 25 years without a dental checkup? Would you have a physical exam only once in your lifetime? Your relationship deserves a checkup too! The Couple Checkup provides a guide for you to better understand your relationship; whether you are dating, engaged or married.

**BEFORE ATTENDING, you need to complete an
Online Individual Profile created by PREPARE/ENRICH
which is the basis for an objective Checkup!**

The Couple Checkup explores issues such as communication, finances, sexuality, spirituality, and parenting. Go online to start the assessment at <http://www.couplecheckup.com/cbc.html> to receive **the special discount rate of \$19.95 which includes the online profile and the workshop fee.** You will receive a report back with your couple results. Then join us for the workshop to hear more on how to assess your own results.
