Kid's Ministry at Roseville

Roseville Nursery Group...

Provides a Christian environment to enhance the social, physical, intellectual, emotional, and the spiritual development of each child.

Our curriculum provides new learning experiences for the child in a relaxed, happy atmosphere where he may develop and learn to get along with and enjoy others his age.

Roseville Nursery Group was formed in 1959 by Calvary Church. Initiated as a community service for all faiths and denominations, it continues to provide service to the church and community.

Our school is licensed by the Minnesota Department of Human Services. This assures families that high standards have been met regarding space, equipment, program, and staff.
