## RESPONSIBILITIES

### Provide Group Direction

As a leader I recognize that it is my responsibility to provide direction to our group. This means communicating Calvary Church's discipleship vision to the group and providing the direction for what the group will study.

### Attend Leadership Meeting Events

As a leader I will attend the two leadership meetings (September/January) a year. If I am not able to attend the training events, I will meet with the Discipleship Pastor individually.

### Keep a Pulse on the Members of Your Group

A Life Group leader is the first point of contact with Calvary Church for many group members. As a leader I will commit to praying for group members and address any spiritual or moral concerns that might arise. If I feel that an issue arises beyond my comfort level or abilities, I will encourage the member to speak with someone on Pastoral Staff.

## Encourage Participation

As a Life Group leader you do not have to do everything yourself. You are encouraged to delegate responsibilities to various group members such as, recording prayer requests, planning social events, leading a study, organizing snacks, etc.

### A LIFE GROUP LEADER DOES NOT NEED:

- To be a Bible expert
- To have all of the answers
- To be a relational expert
- To handle any issue that you feel is beyond your comfort level or skill level. Pastoral Staff is here to support and equip you when necessary.

By signing this covenant, I assert that I have read and meet the qualifications and will pursue the responsibilities associated with being a Life Group leader.
