## Infant/Toddler Sunday Program

*Dear Families,*

*This resource is JUST FOR YOU! We know you want to raise kids to know and love Jesus. That's what we want too! You are the most important influence on your kids' faith and values. We want to come alongside you, working together towards that shared goal.*

*Making faith a natural part of your family's everyday life is easy. Conversations about God can take place wherever you are, in small moments throughout the day. As your family takes a walk, shares a meal, or gets ready for bed, be open to how God may be inviting you to teach about Him.*

*Our weekly lessons are a great starting point for at home faith conversations. In this guide, you'll find **one simple thing** you can do with your kids to help them connect to the stories. We are praying for your family and cheering you on as you lead your kids towards Jesus!*

*In Him,*

**This month's one simple thing...**

## Ask the question “What needs to be done?”

- Begin to see household chores as an opportunity to serve your family by asking, “What needs to be done?” As you live this way, your kids will learn to live this way as well.
- As you serve others, use the opportunity to teach your kids that God has called us to be servants.
- Model service and point it out to your kids: “I asked, “What needs to be done?” and then I realized \_\_\_\_\_ needed to be done.”

### DECEMBER 2 & 9

- Big Idea** God Keeps His Promises.
- Bible Passage** Luke 1:26-38; Matthew 1:18-24
