*Dear Families,*

*This resource is JUST FOR YOU! We know you want to raise kids to know and love Jesus. That's what we want too! You are the most important influence on your kids' faith and values. We want to come alongside you, working together towards that shared goal.*

*Making faith a natural part of your family's everyday life is easy. Conversations about God can take place wherever you are, in small moments throughout the day. As your family takes a walk, shares a meal, or gets ready for bed, be open to how God may be inviting you to teach about Him.*

*Our weekly lessons are a great starting point for at home faith conversations. In this guide, you'll find **one simple thing** you can do with your kids to help them connect to the stories. We are praying for your family and cheering you on as you lead your kids towards Jesus!*

*In Him,*

**This month's one simple thing...**

**Be watching for opportunities to be responsible for God's world and care for other people.**

- Pray that God would prepare your heart to be aware of and respond to opportunities to take responsibility for people and situations.
- Who is someone who could use encouragement, kindness, or generosity? In the morning, talk with your family about what you will be watchful for throughout the day and talk about it at dinner.
- Consider your life, gifts, and resources and ask God to show you how you can take responsibility for what He has given you.

## **FEBRUARY 3 & 10**

**Big Idea** Jesus Cares.  
**Bible Passage** Mark 6:30-44 (Jesus feeds the 5,000)  
**Blessing** (Child's Name), may you know Jesus as your shepherd, and that He cares for you every day.

## **FEBRUARY 17 & 24**

**Big Idea** Jesus is Powerful.  
**Bible Passage** John 9:1-12 (Jesus heals the blind man)  
**Blessing** (Child's Name), may you know that Jesus is bigger and more powerful than anything.

Watch this YouTube video for songs we will be singing with kids this year to help memorize the Bible verses.
