Dear Families,

This resource is JUST FOR YOU! We know you want to raise kids to know and love Jesus. That's what we want too! You are the most important influence on your kids' faith and values. We want to come alongside you, working together towards that shared goal.

Making faith a natural part of your family's everyday life is easy. Conversations about God can take place wherever you are, in small moments throughout the day. As your family takes a walk, shares a meal, or gets ready for bed, be open to how God may be inviting you to teach about Him.

*Our weekly lessons are a great starting point for at home faith conversations. In this guide, you'll find **one simple thing** you can do with your kids to help them connect to the stories. We are praying for your family and cheering you on as you lead your kids towards Jesus!*

In Him,

This month's one simple thing...

Speak God's story to your kids and teach them they are a part of the story!

- Tell them the story of Jesus walking on water and then remind them that God is with them as you dress them in the morning, feed them lunch, and put them to bed at night.
- Tell them the story of The Good Shepherd and then play a simple game of *Simon Says*. After you play, tell them that they can learn to listen and follow Jesus.
- Tell them the story of the Triumphal Entry and then invite them to celebrate that Jesus is King as you dance to upbeat worship music.
